

The carpets are treated for stubborn stains and then cleaned. I have had many times when I thought I was going to have to replace the carpets in our rental properties, thanks to the great job that they do I have saved a lot of money. I would recommend them very highly. The staff is also very friendly and trustworthy. They were very quick to respond to my request and worked very hard to make my time frame work. I have been using this company for about four years to clean all my rental properties. I can honestly say they do a GREAT job. – COMMERCIAL REAL ESTATE CUSTOMER
